

Vr Software Solutions

We are a professional team of freelancer developers providing high-quality training and developing comprehensive software solutions.

Our Services

We specialize in:

- **Software Training:** Expert-led courses designed to bridge the gap between theory and industry requirements.
- **Software Development:** Custom projects tailored to meet specific business needs.

Technology Expertise

We deliver robust projects using modern technologies and platforms, including:

- Flutter for cross-platform mobile apps
- Web Design & Development
- Mobile Application Development

Current Projects

- **News App Development:** A modern news aggregation platform.
- **Medicine Reminder App:** An intuitive tool for healthcare management.
- **School Management Application:** An end-to-end solution for educational institutions.

- **Retail Bills Payment Management:** A secure system for handling retail transactions.
